

American Association of Oral and Maxillofacial Surgeons

Oral Health supplement featured in national publication

Oral Health, a 12-page supplement published by Mediaplanet, appeared in the March 23, 2017, issue of USA Today distributed in Chicago, Los Angeles, New York, Seattle, South Florida and Washington/Baltimore. The article “Understanding the Wisdom Behind Extracting Wisdom Teeth” by AAOMS President Dr. Douglas Fain is featured in the supplement.

[Download the PDF](#) to read about the importance of managing your wisdom teeth as well as a wealth of additional information about maintaining proper oral health.
